The Major County Sheriffs of America is pleased to announce a new prescription discount card program for all MCSA member offices through a strategic partnership with our Diamond Partner, Heritage Health Solutions, Inc.

This program offers you, your family, your staff and constituents instant savings on prescriptions with the MCSA Prescription Discount Card powered by ScriptSave® WellRx. This card will be available for download via an MCSA branded website and app for free. Additionally, your office can receive the cards to provide to staff and citizens in your community.

Cardholders will be able to use their card at more than 65,000 pharmacies nationwide to “buy down” or discount medications not covered by insurance. On average, the card saves individuals 60% on the costs of medications. With no hidden enrollment fees or usage limits, this card offers deep discounts on prescribed medications for everyone in the household – including pets!

As the attached information sheet shows, the MCSA Prescription Discount Card program also offers all registered users additional medication management.

The Major County Sheriffs of America is working with Heritage Health Solutions to expedite the design of the website and the logistics of providing immediate benefits to our member offices. MCSA will be contacting you soon to begin the roll out of this innovative program in your office. *Stay tuned!*
