The Major County Sheriffs of America (MCSA) extends congratulations to former Vice President Joe Biden and Senator Kamala Harris following projections they have won the votes required to be elected President and Vice President of the United States. We look forward to moving on from election season to the important issues of governance before our country.

MCSA members represent over 120 million citizens in more than one hundred of the largest and most diverse counties in America. Our members play a visible and uniquely impactful role in law enforcement and public safety. We are also on the front line as our communities continue to address the coronavirus pandemic.

We look forward to actively working with the next Administration to enhance public safety and homeland security.
