GOLD CREEK COMMUNITY CHURCH

4326 148th St SE, Mill Creek, WA 98012

\*Subject to change due to Covid-19 restrictions. Refer to Eventbrite for updates.

## Event connects first responders to resources

In October, the Snohomish County Sheriff's Office helped coordinate and participated in the First Annual Peer Support Resource Fair for first responders.

Our law enforcement partners, dispatchers, and support staff were all invited to a day of learning, sharing and growing together in our careers. Special guest speakers presented on topics such as PTSD, line of duty deaths, rebuilding shattered lives of survivors, financial, physical and emotion help, suicide prevention, resources for veterans, and much more.

There was an incredible turnout for this event that was designed to support our employees and peers in what can be a difficult line of work. We are looking forward to growing this event and connecting with even more first responders next year.
